**Worksheet 01****Topic: Geography of Muslim world**

Match column A with column B. Column A shows the four main religions of the world, and others, and column B shows the estimated number of their followers.

A	B
a. Buddhists	26% (e)
b. Hindus	6% (a)
c. Muslims	33% (d)
d. Christians	21% (c)
e. Others	14% (b)

**Choose the correct Answer.**

- a) Most of the Muslim countries of the world are located in \_\_\_\_\_  
i. Deserts and scrubland ✓    ii. Temperate grasslands    iii. Rainforests    iv. Tropical grasslands
- b) The highest regions are in \_\_\_\_\_  
i. Yemen and Oman    ii. Libya and Egypt ✓    iii. Afghanistan and Pakistan    iv. Syria and Iraq
- c) The main mountain range in North Africa is \_\_\_\_\_  
i. Karakoram    ii. Hindu Kush    iii. Himalayas    iv. Atlas Range ✓
- d) Temperate grasslands are found in \_\_\_\_\_  
i. Malaysia    ii. Saudi Arabia    iii. Sudan    iv. Central Asia ✓
- e) There are tropical rainforests in \_\_\_\_\_  
i. South Asia    ii. South-east Asia ✓    iii. Middle East    iv. North Africa

**Fill in the blanks.**

- a. The river Nile is in Egypt.
- b. The Tigris and Euphrates flow into The Gulf.
- c. The River Indus flows into the Arabian sea.

**Worksheet 02****Topic: Climatic regions of the Muslim world****Math Column A with Column B.**

A	B
i. Dasht-e-Lut	a. Uzbekistan (3)
ii. Sahara	b. Pakistan (5)
iii. Kyzyl Kum	c. Iran (1)
iv. Rub-al-Khali	d. Africa (2)
v. Thar	e. Saudi Arabia (4)

**Fill in the blanks with correct answers.**

- a. The Sahara in Africa makes up \_\_\_\_\_ of the total desert area of the world.
- i. 6%      ii. 75%      iii. 60% ✓      iv. 25%
- b. The South-east Asian countries have a \_\_\_\_\_
- i. temperate      ii. desert      iii. monsoon ✓      iv. Mediterranean
- c. \_\_\_\_\_ of all the major deserts in the world are in Muslim countries.
- i. One fourth      ii. One third ✓      iii. Half      iv. Three fourths
- d. Tropical forests receive \_\_\_\_\_ of rainfall a year.
- i. 500-1500 mm      ii. 1800-2500mm ✓      iii. iv-300      iv. 400 mm
- e. Uzbekistan is the \_\_\_\_\_ largest cotton-growing state in the world.
- i. 4<sup>th</sup>      ii. 2<sup>nd</sup> ✓      iii. 3<sup>rd</sup>      iv. 5<sup>th</sup>
- f. The Mediterranean climate region has \_\_\_\_\_
- i. dry winters      ii. mild, wet winters ✓      iii. heavy rainfall      iv. no rainfall

**Worksheet 03**

**Topic: Main agricultural products of the Muslim world**

Complete these statements.

- a. Malaysia is the world's leading producer of palm oil.
- b. Rice is the tropical equivalent of wheat.
- c. The Aztecs called cocoa Xocolatl.
- d. Coffee was discovered in the Somalia /Ethiopia region.
- e. Indonesia is the main producer of coffee in the Muslim world.
- f. Muslim countries produce 15% of the world's tea.
- g. The rubber plant was originally found only in the Amazon rainforests.
- h. The main Muslim countries producing rubber are Malaysia and Indonesia.
- i. Muslim countries produce 20 % of the world's cotton.
- j. Pakistan produces 3.5% of the world's sugar.
- k. Turkey produces high quality wool.
- l. China is the world's biggest producer of cotton.
- m. Brazil is the world's largest producer of sugar cane.
- n. Bagasse is the product of Sugarcane.
- o. The word coffee comes from the Arabic word Kahwah.

**Worksheet 04****Topic: Minerals and natural resources of the Muslim world****Fill in the blanks.**

- The Muslim world is the most important region of the world for producing Oil and gas.
- Muslim countries produce a third of the world's output of oil and 15% per cent of natural gas.
- USA has to import oil in spite of its own oil own oil production because it consumes more than it produces.
- Oil in its original form is a thick, black Shidge.
- The only important producer of coal in the Muslim world is kazakhstan.

**Choose the correct answer.**

- Algeria ranks \_\_\_\_\_ in the world's output of natural gas.  
i. Fourth      ii. Fifth ✓      iii. Third      iv. Sixth
- Indonesia ranks \_\_\_\_\_ in the world's output of tin.  
i. Second      ii. Fifth ✓      iii. Sixth      iv. Third
- Iran ranks \_\_\_\_\_ in the world's output oil.  
i. Second      ii. Fourth ✓      iii. Third      iv. Fifth
- Pakistan ranks \_\_\_\_\_ in the world's output of cotton.  
i. Fourth ✓      ii. Second      iii. Third      iv. Fifth
- Nigeria ranks \_\_\_\_\_ in the world's output of cocoa.  
i. Second      ii. Eight      iii. Sixth      iv. Fifth ✓

**Worksheet 05****Topic: Industrialization in the Muslim world****Give short answers to the questions below.**

- a. Why is industry important for country?

Ans: Because industry adds to country's economy by producing goods for local use and export.

2. Explain with examples what is meant by the Three R Principle.

Ans: Three R principles means Reduce, Reuse and Recycle.

- 1) We should reduce our use of material i.e not buy more than we need.
- 2) We should reuse what we can such as carry bags, jars etc.
- 3) We should recycle materials that can be processed into other usable items such as plastic, glass and paper products etc.

**Worksheet 09****Topic: The Population of the Muslim world****1. Match the countries with their population.**

- | A               | B                      |
|-----------------|------------------------|
| a. Bangladesh   | i. 222.8 million (c)   |
| b. Pakistan     | ii. 33 million (e)     |
| c. Indonesia    | iii. 164.7 million (b) |
| d. Saudi Arabia | iv. 141.8 million (a)  |
| e. Afghanistan  | v. 28 million (d)      |

**Match the countries with their literacy percentages for males/females.**

- | A            | B              |
|--------------|----------------|
| a. Brunei    | i. 92/85 (c)   |
| b. Jordan    | ii. 95/90 (a)  |
| c. Malaysia  | iii. 95/80 (e) |
| d. Indonesia | iv. 95/85 (b)  |
| e. Turkey    | v. 94/87 (d)   |

**Match the countries to their capitals.**

- | A             | B                |
|---------------|------------------|
| a. Azerbaijan | i. Mogadishu (b) |
| b. Somalia    | ii. Almaty (d)   |
| c. Tajikistan | iii. Baku (a)    |
| d. Kazakhstan | iv. Dushanbe (c) |
| e. Yemen      | v. Sana'a (e)    |

**Match the countries with the life expectancy for males/females.**

- | A           | B              |
|-------------|----------------|
| a. China    | i. 46/47 (e)   |
| b. Pakistan | ii. 68/75 (d)  |
| c. Cuba     | iii. 63/65 (b) |
| d. Brazil   | iv. 75/79 (c)  |
| e. Nigeria  | v. 71/75 (a)   |
